CATCH ME IF YOU CAN! - CHENIN BLANC

IGP PAYS D'OC

PRODUCER: Claude Vialade

TYPE: Organic white wine

GRAPES: 100% Chenin Blanc

SOIL TYPES: A complex terroir where ocean breezes and the coolness of the Pyrenees take the edge off the Mediterranean heat. The soils form a true geological mosaic comprising sediment stemming from the erosion of the Pyrenees, which alternates with marine limestone deposits. These combine to produce a wine showing incredible finesse and complexity.

VINEYARD MANAGEMENT: The vines are planted on hillside sites facing South-South-East at 250 m above sea level, allowing the grapes to ripen beautifully. Sustainable, environmentally-friendly vineyard management techniques are used. The single Guyot training system reins in yields at 55 hl/ha.

WINEMAKING: The fruit is picked by night to fully preserve its rich aromatics. Gentle pressing protects the integrity of the grapes. The wines are fermented at low temperatures (14°C). Tank ageing on the lees hones and fully reveals the variety's aromatic complexity.

TASTING NOTES: Our little rabbit has hunted out an amazing wine for you! It shows a magnificent pale-yellow hue with white gold highlights. The nose displays great finesse and floral scents of broom and hawthorn harmoniously entwined with fruit notes. The palate is precise and superb tension on the attack holds you spellbound through to the finish. This is a fantastic, fresh, balanced wine that fully reveals its potential after a little bottle time.

FOOD PAIRINGS: Our little rabbit zooms around on his versatile scooter! Just as comfortable alongside a simple quiche or savoury tart, it makes the perfect match for more complex pairings like goat's cheese, Brie or asparagus, a fillet of fish or white meat. Feel free to enjoy it the way you like!
